

4808 Ivywood Trail
Mc Farland WI 53558-9433
608.256.5189

Roto-Rooter has been serving customers sewer and drain needs since 1935, our local franchise since 1948. Service Technicians are the face of Roto-Rooter! They provide solutions to our customers' drain cleaning needs.

Service technicians diagnose drain problems, offer a solution and cost estimate to the problem, solve the problem and clean up their work area. We are seeking mechanically inclined people who are as comfortable talking to customers as they are working with their hands.

Our service technicians serve both residential and commercial customers ranging from the kitchen sink line to municipal and industrial sanitary and storm sewers.

This is a full time position with some night (on-call) and periodic weekend duty.

Requirements include but are not limited to:

- Excellent people skills
 - Ability to convey work performed into written words clearly
- Mechanically inclined
- Self-motivated
- Clean/Valid Wisconsin driver's license or ability to transfer within 30 days of hire
- Ability to dead lift up to 125 pounds
- Reliable transportation as we are not close to public transportation
- Plus's
 - Class B CDL w/ tank endorsement (code N) and air brake restriction.
 - Knowledge of residential and/or commercial plumbing

Apply in person – see address above.

We conduct pre-employment drug screening and background check including driving record and criminal history.

If you're service oriented and eager to learn a skilled trade, Roto-Rooter will provide the training and systems necessary to get your career started.

We look forward to talking with you.
